PRAY FOR OUR TRUCKERS

**They are the courageous, non-stoppable
voice of the downtrodden people of the world.**

BRUISED BUT NOT BROKEN.

Recap of Day 17 of the Truckers for Freedom Convoy

On Day 17 of the Truckers for Freedom Convoy, five provinces announced they're shedding COVID restrictions, a Liberal MP broke rank with Prime Minister Justin Trudeau and the trucks in Ottawa stayed put.

Urgent Message for Canadians

Action4Canada has united our voice with other organizations and issued a Press Release to emphatically condemn the government and police for unjustly labeling those protesting the unconstitutional public health orders as terrorists, racists and misogynists. This type of rhetoric is unacceptable and only serves to create further divide. The Charter of Rights and

Freedoms guarantees every Canadian's right to peacefully assemble and protest.

For nearly two weeks, Canadians of different ages, races, ethnicities, religions and beliefs, from across the country have gathered in our Nation's capital along with their families and children to exercise this right in unity, peace and love.

A Brave New World Without Rights: Ending Mandates Does Not Strip Government of the Ability to Do This Again

If we allow our leaders to normalize the idea that rights can be switched off during emergencies or when political leaders decide that "the science is settled", then we are giving the government terrifying and unlimited power over us. It gives those who control the levers of power the authority to turn off access to your life. That turns the competition for power into a zero-sum game: the winners become masters, the losers become serfs.

How we navigate the end of mandates determines whether we win our freedom or whether we allow our leaders to normalize a Brave New World with conditional rights that can be turned off again during the next "emergency".

Debunking the top 10 media lies told about Canada's Freedom Convoy

The convoy spirit is not just in Ottawa, however; it's across the whole land and it's infectious. The owner of a trucking company describes the reports from his truckers in the convoy who are moved to tears by the generosity and support of Canadians across the land giving free food, hotel rooms on the house, half-price fuel, welcoming the truckers with smiles and open doors and arms.

Attorney Representing Freedom Convoy Shares a Message

Chief Sloly outlined that federal intelligence authorities will be "collecting financial, digital, vehicle registration, driver identification, insurance status and other related evidence that will be used in prosecution."

Corporal Bulford resigns from his position of personal security of Trudeau.

My job for the past 8 years was protecting the Prime Minister before I resigned. He comments on the restrictions and mandates that are against the Charters of Rights and Freedoms in Canada.

Statement by many doctors explaining that the science is all in support of the Truckers

Freedom Convoy – address to the nation. The Canadian Truckers are backed by solid science, not by the government. These vaccine mandates have no scientific evidence and must be stopped.

This is who we are – excellent video

This is a national and global human movement and the whole world is watching. What is happening in Canada will ripple to the rest of the world and now is the time to activate our voices. You are NOT a small, fringe minority. You are the movement, the movement of freedom, the movement of power, the movement of love.

Justin Trudeau's half-brother says Canadian truckers are protesting against 'house of cards of lies'

Why does your brother seemingly want to divide Canada? He is representing a pharmaceutical agenda and the Global World Economic Forum that is decidedly un-Canadian. Canadians never voted for vaccine mandates. This Trucker convoy has created a sense of unity and for people to come together. Canadians have woken up from the fear of this pandemic.

Letter to Justin Trudeau

Here is some unsolicited advice that may just salvage your legacy from the legendary humiliation you are presently hurtling toward at 105 kilometers per hour. I know it's cozy in your bunker and it's easier to sustain your delusions about the Canadian people from your propaganda-lined womb, but you can only feign COVID for so long—especially since you've partaken in the exceedingly safe and effective injections you're so

adamant about foisting on your subjects. The jig is up, Justin. It's time to stop hiding.

Liberal MP Joel Lightbound Shows Significant Political Courage & Pushes Back Against Trudeau's Divisive Approach

Combined with Saskatchewan's announcement that restrictions are ending, the momentum continues to grow for a return to normal and an end to the authoritarianism being imposed on Canadians. In yet another significant development in the rising revolt against authoritarianism in Canada, Liberal MP Joel Lightbound has broken ranks with Justin Trudeau's divisive approach.

The Last to Leave Ottawa? Romanian Trucker Speaks Out!

Trudeau has no shame and no limit to how low he will go in his quest to destroy Canada's democracy. He is a traitor to this nation and we need to continue to call and write the Liberal Members of Parliament and demand he be ousted from the party, and convicted for his crimes against humanity.

We Are All Canadian Truckers Now!

It is after two years of Covid authoritarianism that in Canada the largest truck convoy in history has smashed through the Berlin Wall of tyranny. I have watched as the Canada I once respected as a haven for antiwar Americans in the 1960s turned into one of the most repressive countries on earth. I wondered how a freedom-loving people could allow themselves to

be abused by these mini-Stalins without a peep. But then Canada stood up and showed the rest of the world that freedom can triumph over tyranny if the people demand it. As I say, no army can stop an idea whose time has come.

It's time to end the 'freedom convoy' in Ottawa by enforcing the law and following the money

According to Mark Carney, Board member of the World Economic Forum, former Governor of the Bank of Canada and the Bank of England, anyone sending money to the convoy should be in no doubt: You are funding sedition. Foreign funders of an insurrection interfered in our domestic affairs from the start. Canadian authorities should take every step within the law to identify and thoroughly punish them. The involvement of foreign governments and any officials connected to them should be identified, exposed and addressed. Is Fake News feeding Mark Carney these lies?

MP Raquel Dancho from Manitoba gives POWERFUL speech on the current state of Canada

People are mobilizing because Governments have not listened to them for two years. What choice do they have left but to protest? They have written. They have called. People have been traumatized. Come down from your Ivory Tower and listen to us.

I'm an MP and I support the Freedom Convoy in Ottawa -- here's why

Throughout the week, I have talked with truckers, nurses, postal workers, teachers, construction workers, and stay-at-home moms. Some participants wear crosses and some wear turbans. Some are in their seventies and others are still in diapers. Some are not vaccinated, and others are vaccinated three times.

When the farmers were protesting in India, Mr. Trudeau instructed Prime Minister Modi to listen to the people who were peacefully protesting and he spoke of the importance of resolving issues through dialogue . He would do well to take his own advice. The people are waiting.

FOX News Host Compares Tactics of Tech Giants Like GoFundMe and Facebook to Communist Chinese

GoFundMe announced on Friday they would steal donations for the Canadian Freedom Convoy 2022 and donate it to charities of their choice. On Saturday morning the officials at GoFundMe backtracked and decided to return the millions in donations after Florida Governor Ron DeSantis announced they would investigate the fundraising platform for theft and deceptive marketing practices.

Note: NEVER use GoFundMe — ALWAYS use an alternative like the Christian site GiveSendGo.

Freedom Convoy 2022 Leaves GoFundMe Behind In Their Dust

Not only have the truckers moved on but so have their supporters. "Despite all the server attacks against them, the truckers Convoy has raised \$2 million in 2 days on GiveSendGo". Go, Freedom Convoy 2022, Go! Godspeed!

Big Tech vs the working class

GoFundMe's withholding of donations to the Canadian truckers is a foul, classist attack on democracy. I, for one, will no longer use GoFundMe now that I know it is willing to withhold millions of dollars from working people whose only crime is to believe that their medical status should not be a barrier to their right to earn a living.

Freedom Convoy Trucker Organizers Say They Are Receiving Overwhelming Support

The coordinator of the Canadian Freedom Convoy 2022, Benjamin Dichter, said the claims made by Trudeau are false and the strategy to insult them and call them names will not work. "Because every strategy that the Trudeau government has tried or Trudeau has tried, which is one strategy, and it's the same strategy over and over again of calling people names, even his own base of support is starting to get a little turned off on it," said Dichter.

From the Mouths of Babes to Freedom Convoy Truckers: "Reach for the stars. We Believe in You"

God Bless You, Remnant Editor Michael Matt for tearing the gaudy wrapping paper off of hypocritical Canadian Prime Minister Justin

Trudeau—and doing it on the very day he appeared for the first time this year back in Parliament. Thank You, Mr. Matt for embedding the video of a tearful truck driver emotionally overcome by the note and cookie sent him by an 11-year-old girl telling him: “Reach for the stars. We believe in you”; a small but beautiful glimpse of reality in an upside down world.

Schwab Admits he Controls Trudeau & Cabinet of Canada – Now the World

Schwab is using this strategy to infiltrate all world governments. Putin has rejected Schwab’s agenda where Europe, Canada, Australia, and New Zealand have embraced it. They installed Biden because it is unclear if he even understands anything he signs.

Canadians need to understand this agenda. Trudeau is now even having the police arrest people bringing fuel to the Truckers. This is an all-out war against Schwab for the very future of our world, our families, and our children. Academics have been the supporters of communism because they have never lived under such systems and always talk about equality materially rather than equality of rights. You cannot have freedom (liberty) and material equality simultaneously. Russia and China tried that and failed.

Trucker's Gas Can Army

After the “fuel ban” it is now illegal to bring gas cans to the Freedom Convoy Peaceful Protest — here is what the streets of Ottawa looked like tonight. God bless these people. So much for Trudeau's 'Fringe' Movement,

Rex Murphy: A Canadian insurrection? It is to laugh

No Molotov cocktails. No vulgar harassment of police — no “All cops are bastards” signs. No rocks for every Starbucks window and those of small businesses. No blizzard of break-ins, no store owners standing guard on their shops. No arson or looting. Jan. 6 insurrection Canadian edition? Ha! It is to laugh. I’ve seen more threatening picnics thrown by a few nuns.

Man charged in Winnipeg car attack on convoy protest is radical far-left anarchist

David Zegarac has a history as an anarchist activist. The man charged in Winnipeg for an attack on a convoy protest is a radical far-left anarchist. Police, however, are still treating the incident as a hit-and-run, rather than a hate crime.

Anti-semitic leaflet was a hate hoax pushed by legacy media and left-wing politicians

“Politics aside, the simple truth is this: if a nation of truckers were to strike for just two weeks, it would be a stunning catastrophe. Most people have no idea how essential these hard-working people are to our survival.”

Cops, protesters find harmony at Toronto truckers protest

A lot of it is tone and approach. Treating people with respect — and understanding the best outcome is one where everybody goes home safely — is the way to go. The police officers there were fantastic and did the city proud. They communicated with the truck drivers, were patient with the demonstrators and conducted themselves so professionally, no wonder the mayor and chief were so proud.

Pray For Our Truckers The Courageous Non-stoppable Voice of the Downtrodden People of the World

Our Truckers, who have earned the undying admiration of freedom and liberty lovers throughout the world, gather in Ottawa this morning—stripped of the \$10-million sent them by members of the public at large—but stolen by GoFundMe; still standing strong against the ugly face of the kind of Tyranny that comes from a gang-up of government, media and police—badly bruised but not broken.

NEVER give up, Keep the Faith, no matter what. And it is irrefutable fact no media can deny that the Kingdom of Christ is FOREVER. Pray, pray, pray for our truckers—The Courageous non-stoppable Voice of the Downtrodden People of the World!
